Hon 86 12/8/11 MWK-R (5) In reply to the Comm^rs letter as to the Rates given to the Secretaries for the various Committees first have asked as follows:-

Mr. K Subbaraao - Mysore pay + a local allce of Rs 50.
Mr. C. Krishnaraao - Rs 500 + house rent allce Rs 50.
Mr. V. S. Sambasivaiyer - Rs 700.

(6) Mr. Subbaraao is also provincial Secretary to the Economic Conference and is also sent to the Deccan. He has therefore to perform duties at present and the grant of a local allowance may therefore be sanctioned. If however he is taken away by the time for the Conference work he being Provincial Secretary to Agl Committee will not perhaps give him a claim to retain this allowance.

(7) In the case of Mr. Krishnaraao, HS Headmaster of the High School he was given the House rent of Rs 50. Now that he has been relieved of these duties and is not drawing necessary to furnish Secretaries with free houses or grant house rent, in the absence of Spl reasons, the grant is open to objection. The grant is proposed now to make Mr. K Krishna

has financially a loser & accepting the place. Mr. Sambasiva Iyer has not been given any allce either local or House rent wd so to bear on the above view.

(9) In my respectful opinion the officers concerned should get only their substantive pay.

(10) As regards Mr K. Subba Rao it is a well-known fact that there is no work for two full-time Asst Comms in the Revenue Commrs office - Simply because first fully utilized the services of the officer by giving him some work in connection with the Conference, a local allce in addition to pay cannot be justified.

(11) As regards Mr C. Krishna Rao, the house rent he was drawing is attached to the Head mastership. If Mr C. Krishna Rao were transfered to any other appt at

Bangalore or elsewhere in his own line, as he might be transferred at any moment, he would have lost the house rent allowance. I do not see why he should retain the allowance for being transferred as they do the Education Committee. It would be an extremely undesirable rule if officers who once draw a local allowance are allowed to carry that local allowance to other appointments as if it were a personal allowance. There is no question of loss in a case like this — the local allowance is given for some consideration in respect of the particular appointment and there is no loss for not getting it in an appointment where similar considerations do not exist.

Submitted to His Highness.

These papers relate to the emoluments of the three Officers deputed as secretaries to the three Committees of the Economic Conference In Government Proceedings No G. 838-42 dated 7th August 1911, it was directed that these be fixed as follows:-

1. Mr. V. S. Sambasiva Iyer Rs 700- (This is his permanent pay)

2. Mr. C. Krishna Rao, BA

Pay Rs 500/- plus
house-rent Rs 50/- rs
(This is what he was
getting as Head Master
Bangalore High School)

3. Mr. K. SubbaRao.
His grade pay as Asst
Land Commissioner
plus a local allowance
of Rs 50/-

2. The order having been
sent to the Financial Branch
for communcation to the
Comptroller, the Financial
Secretary has in his note
dated 12th instant, objected

to the grant of house-rent to Mr Krishna Rao and a local allowance to Mr. K. SubbaRao.

3. I submit the matter for orders. These 3 Officers while being drafted to this Special duty from their ordinary duties had every reason to expect that their emoluments would remain at least the same as before. A local allowance of Rs 50/- to Mr. Subba Rao was proposed because he is Secretary to the Conference in addition to being Secretary

to the Agricultural Committee.

4. The remark made by the Financial Secretary that there is no work for 2 Assistant Commissioners in the Revenue Commissioners Office has no bearing upon the emoluments of Mr. K. Subba Rao in this connection. It is apparently a mere repetition of a casual remark which the 1st Councillor, with his short experience of the Revenue Commissioners Office made while asking that Mr K. Subba Rao may be made

whole-time secretary to the Agricultural Committee by ers being relieved of his duties in the Revenue Commissioners Office. Without following the remark to its logical con- clusions, the 18th Councillor has asked that another officer may be deputed to the Revenue Commissioner's Office when Mr. K. Subba Rao is taken out of it Thus the remark relied upon by the Financial Secretary is equally illogical and irrelevant.

5. Under these Circumstances

His Highness may be pleased
to confirm the order already passed.
